

## Insured Website

On the SkipjackPFC insured main page, login with user ID and password created during the registration process.

## Insured Account

The main page will give you virtually any information you need regarding your premium finance account. If you have multiple accounts with Skipjack, you can choose the desired account by selecting the appropriate number on the left-hand side of the page.

Account status will be boldly displayed at the top of the page. The status will indicate current, intent to cancel, cancelled, closed, or flat cancelled account status.

Below account status is agent and insured information as contained on the premium finance agreement. For changes to this information, please call or email Skipjack directly.

The yellow box on the right-hand side contains payment information including next payment due date, next payment amount, and a blue button that will allow you to make a payment online.

Below the next payment box is a summary of the account including current installment, payoff amount, down payment amount, and any fees that have been assessed over the life of the loan.

At the bottom right-hand corner of the screen you can view information regarding the last payment received for your account.

The main page also offers the ability to reprint either the payment letter or payment coupons. Simply click on the respective link on the top of the yellow box.

## Making a Payment

If you click on the "Make a Payment" button from the main page, you will be prompted to supply your relevant financial information to create an eCheck for your premium finance payment. You have the option to make a one-time payment or set up monthly reoccurring payments to be automatically deducted from your account.

### Make Account Payment

To make a payment on this account fill out the following form and press the "Next" button. You may be charged a "convenience" fee that is used to cover the cost of processing electronic payments.

**Payment**  
**Payment Type:**  One-Time Payment  Monthly Recurring  
**Amount:** \$
